Dual Ownership will not be permitted (except Hereford: "Heifers may be jointly owned by siblings provided both are individual members of the National Junior Hereford Association. No animal is eligible to compete if recorded in joint ownership including ownership with farm name or family members—other than Hereford sibling rule").

The only exception to these rules is certification by an official paid employee of the respective breed association on-site at the EXPOSITION.
  - f. **(NEW!) ALL OTHER BREEDS** – If there is NO SHOW available for any one breed, the affected entries will be grouped into the All Other Breeds (AOB) division. An animal may only be entered and shown in one division. The animal must be registered with their respective national breed association. **Dual registered cattle can only compete in one breed show. If there is a show provided for which an animal is registered, that animal will not have the option to show as an All Other Breeds (AOB) entry.**
4. **RESPONSIBILITY FOR ENTRIES** – The exhibitor is responsible for making proper entries. Entry fees of ineligible animals and entry fees of animals that do not appear at the EXPOSITION will be forfeited.
5. **RULES AND REGULATIONS** – Animals must comply with the Health Rules as stated for breeding cattle.

**Pennsylvania Angus Association**, c/o Brad Bishard, 1787 Seven Valleys Rd., York, PA 17408, sponsors a banner for the Champion & Reserve Champion Female bred & owned by the Exhibitor.

**The American Angus Association**®, The American Angus Association, 3201 Frederick Ave., St. Joseph, MO 64506, will participate in premiums offered in individual classes for junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of 15 head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.

Separate classes for bred-and-owned heifers may be held if the size of the show merits a separate class.

Any female shown with a calf at side, the calf must be the cow's most recent natural calf and the calf must be registered by show day and have the original registration certificate at check-in.

To be eligible for Association premiums, the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.

Exhibitors must have the original registration certificate on each animal available for inspection at the show. Electronically stored registration certificates are NOT accepted – only the original certificates issued by the American Angus Association. Any animal, upon check-in, that does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks, or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show.

Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and rechecked at the show.

Only one person at a time shall lead an animal into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800-810. These rules can be found at [www.angus.org](http://www.angus.org).

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp, or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals, or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors, or member owners at such show shall be allowed to use any coloring agents on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make-up areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown if there are reasonable grounds to believe a violation as occurred.

Junior Show Premium Participation schedule: 15-24 head = \$100; 25-50 head = \$300; 51- 75 head = \$375; 76-100 head = \$450; 101-125 head = \$600; 126 or more head = \$1,000. Premium participation is based on the previous year number of head. Only registered Angus cattle that meet the age requirements listed within this classification are eligible to receive premium participation and be counted in the total number of head shown. Champion and Reserve Champion placings are not counted in the number of head shown.
